Labrador-Grenfell Health Region

*Information added by Physician Recruitment and Retention, Labrador-Grenfell Health. Population determinations based on data from Statistics Canada 2006 Census, rounded to nearest 5%.

Labrador-Grenfell
Health

Labrador-Grenfell Health...

- Serves the communities north of Bartlett's Harbour on the Northern Peninsula and all of Labrador.
- Provides health and community services for just under 37,000 people.
- Employs approximately 1,500 staff.

"Healthy People Living in Healthy Communities"

Strategic Plan: 2014-17

- Required under the Transparency and Accountability Act
- Board of Directors has released a new Strategic Plan for 2014-17.
- Labrador-Grenfell Health will complete work towards achieving the 2011-17 Mission:

The Health Authority will have, within available resources, improved accessibility to selected health and community services to better meet the needs of people within the region.
